Just charge it to my account
I hope I haven't gone over my limit
With interest rates so swift
No need to scream and shout
No doubt if women are from Venus now
I'll get to them somehow

All I want to do is please you
Please myself by living my life too

[Chorus]

And all the stupid things I do
Have absolutely no reflection on
How I feel about you
How I feel ohhh
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you, yeah

Yes I recall
Skipping on breakfast to play basketball
And feeling two feet small
Sometimes you read like William Shakes
Your scent is sweet like Betty Crocker bakes
I'd love to have my cake and eat it too
All I want to do is please you
Please myself by living my life too

[Chorus]

And all the stupid things I do
Have absolutely no reflection on
How I feel about you
How I feel ohhh
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you, yeahhhh no no no no nooo

[Vocalizes]

All I want to do is please you

Please myself by living my life too

[Chorus]

And all the stupid things I do

Have absolutely no reflection on

How I feel about you

How I feel ohhh

Oh how I feel about you

How I feel about you yeah

Ohh Oooo Yeahhh Noo ooo La La La La Laa
