[Verse 1:]

From the moment that I saw you,  
Thinkin' baby, do you know ya,  
'Cause I'm havin' illegal thoughts and  
Now I'm sinnin', here I'm wonderin'

Thinkin', whatchu doin' in here'  
Now would you make time for me'  
Tryna get her up outta here,  
'Cause she's puttin' on the hottest show with the lights  
down low,  
And the guys in here wanna take her home,  
Tryna flash they cash, but she's lookin' for more.  
So won't you talk to me, girl, talk to me  
Let me tell you what I know!

[Chorus:]

You're Too Special for the club,  
No, a girl like you need a private party.  
I'm gonna make you fall in love.  
Even though you know I really wanna work your body.  
I'm not the only one who sees  
How much you're worth so baby, please,  
That's why I'm sayin baby,  
You're too special for the club.

[Verse 2:]

Now it's gettin' into later  
And I still ain't got your name girl.  
It don't matter, that ain't sway me,  
'Cause I'm steady, I'm your baby,

Tell me what're you doin' in here'  
And where you goin' after that'  
Whatr'e you doin' in here'  
'Cause I'm gonna have to take you back.  
Now I don't care, 'cause you're the bliss of mine,  
Baby anywhere we go, we gonna be at the top  
So won't you talk to me, girl talk to me  
Baby, tell me what it is.

[Chorus:]

You're too special for the club.  
No, a girl like you need a private party.  
I'm gonna make you fall in love.  
Even though you know I really wanna work your body.  
I'm not the only one who sees  
How much you're worth so baby please,  
That's why I'm sayin baby,  
You're too special for the club.

[Bridge:]

And if I could take you away from it all that,  
(Special, love me special)  
If I could lift you right outta this place,  
(Special) [x7]

[Chorus: x2]

You're too special for the club.  
No, a girl like you need a private party.  
I'm gonna make you fall in love.  
Even though you know I really wanna work your body.  
You're not the only one who sees  
How much you're worth so baby please,  
That's why I'm sayin' baby,  
You're too special for the club.  
You're too special for the club.  
No, a girl like you need a private party  
I'm gonna make you fall in love.  
Even though you know I really wanna work your body.  
I'm not the only one who sees  
How much you're worth so baby please,  
And I'm standin' here sayin' baby,  
You're too special for the club.  
(Special, special, special, special, special, You're too  
special for the club) [x4]
