I really want to be the best I can  
But I'm always fighting  
It's like I almost got to prove myself  
Sometimes I wish I was somebody else  
Now I don't want to sound like I'm complaining  
This is everything I asked for  
But I get tired of everyone's expectations  
And I wanna be left alone

Driving through these red lights  
Like nobody can see me  
Someone's screaming self destruction  
But I can't even hear it

They wanna hold my hand  
They gotta see, they gotta see  
I'm tryin' to do the best that I possibly can  
Even when I fall down  
I gotta be, I gotta be,  
I gotta be, the first one to turn it around

Oh, oh  
I'm tryin', tryin'  
Oh, oh  
I'mma keep tryin', tryin'

Everybody always got an opinion  
Somebody always got something to say  
I'm getting pulled in a million directions  
Sometimes you got to find your own lane  
I know you're trying to stand in my corner  
I know you only want what's best for me  
But when the pressure starts to choke me  
You gotta stand back and let me breathe

Racing through these red lights  
Like nobody can see me  
Lights and sirens trying to stop me  
But I can't even hear them, yeah

They wanna hold my hand  
They gotta see, they gotta see

I'm tryin' to do the best that I possibly can  
Even when I fall down  
I gotta be, I gotta be,  
I gotta be, the first one to turn it around

Oh, oh  
I'm tryin', tryin'  
Oh, oh

I'mma keep tryin', tryin'

Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Ayo, ayo, ayo

Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Ayo, ayo, ayo

They wanna hold my hand  
They gotta see, they gotta see  
I'm tryin' to do the best that I possibly can  
Even when I fall down  
I gotta be, I gotta be,  
I gotta be, the first one to turn it around

Oh, oh  
I'm tryin', tryin'  
Oh, oh  
I'mma keep tryin', tryin'

Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say  
Ayo, ayo, ayo

Anybody if you feel me  
Let me hear you say  
Anybody if you feel me  
Let me hear you say

Anybody if you feel me  
Let me hear you say  
Ayo, ayo, ayo

xx Esther
