Everyday I look around
Seems that no one's ever satisfied
Oh, oh, could it be that underneath
We've all got somethin' to hide?
I don't know

From the moment we arrive
We want to fill the space inside
We all need to feel alive

If it's love that keeps us breathin'
Gives us somethin' to believe in
Is it fear that makes us blind?
Tell me why is love so hard to find?

If we hear so much about it
And we can't go on without it
Let the mystery unwind
Tell me, why is love so hard to find?

All I know is when you find it
Even earth can feel like you're in heaven
Oh, oh, tell me know, unlock the secret
Help us all to find the hidden treasure

Oh, from the moment we arrive
We want to fill the space inside
We all need to feel alive

If it's love that keeps us breathin'
Gives us somethin' to believe in
Is it fear that makes us blind?
Tell me, why is love so hard to find?

If we hear so much about it
And we can't go on without it
Let the mystery unwind
Tell me, why is love so hard to find?

Why is love so hard to find?
Tell me, why is love so hard to find?
Why is love so hard to find?

Tell me, why is love so hard to find?

Don't you know I'm never gonna give up till I find the
love?

I'll be searchin' the whole world over to find my love

Hmm yeah, yeah

Why is love so hard to find?

If it's love that keeps us breathin'

Gives us somethin' to believe in

Is it fear that makes us blind?

Tell me, why is love so hard to find?

If we hear so much about it

And we can't go on without it

Let the mystery unwind

Now, why is love so hard to find?

If it's love that keeps us breathin'

Gives us somethin' to believe in

Is it fear that makes us blind?

Tell me, why is love so hard to find?

If we hear so much about it

And we can't go on without it

Let the mystery unwind

Tell me, why is love so hard to find?

Why is it so hard?

Why, why is love?
