Your love is as strong  
As the widest river is long  
And here stands the man, the man too afraid  
To jump in, so you thought it should end

Those pretty eyes never lie  
You say it's over, your eyes deny  
You're so in control, that's what you think  
Why are you fooling yourself, baby, you're not fooling  
me

Is it over  
You and I?  
Are you truly better off  
Without me there by you side?

Is it over  
You and I?  
Something in your eyes  
Is telling me not to say goodbye

Baby, if it's over, if it's gone  
Stop this world, I don't wanna stay on  
If time heals all wound, why is it no use  
It's no use at all to my broken heart

You're involved, moving on  
And you just get up and leave him alone  
It wouldn't be right to do him so wrong  
Please don't expect my sympathy  
Girl, when you just did that to me

Is it over  
You and I?  
Are you truly better off  
Without me there by you side?

Is it over  
You and I?  
Something in your eyes  
Is telling me not to say goodbye

I'd like just to be your friend  
And hope that someday we'd love again  
Sorry but I can't pretend  
Because I love you, I love you, I do, I do

Is it over  
You and I?  
Are you truly better off  
Without me there by you side?

Is it over  
You and I?  
Only you could say  
What you're eyes say to me

I ain't goin' nowhere  
I'll be right here  
If he breaks your heart, I'll be there  
I ain't goin' nowhere  
It's not over, it's not over  
No
