You don't know, baby  
Just what I'm going through  
You don't know, baby  
I have no days, I have no nights  
Without you girl, I have no life

Girl, there's just no getting over you  
The more I try, the more I cry  
Girl, no matter what I say I'll do  
It still comes back to wanting to get with you, baby

As I walk room to room, my love  
I see traces of you, pictures of you  
And I smell your perfume, oh

You don't know, baby, no, you don't know  
Just what I'm going through over you  
You don't know, baby  
I have no days, I have no nights  
Without you girl, I have no life

Girl, I sometimes walk out in the rain, yes, I do  
To hide the tears and drown the pain  
I sit alone inside a restaurant  
I get tea for two, 'cause I know that's what you'd want,  
baby

But you're not even here, my love  
And I just don't know why, I'm losing my mind  
I can't let you go, baby

You don't know, baby  
Just what I'm going through over you  
You don't know, baby  
I have no days, I have no nights  
Without you girl, I have no life

You see there's no getting over you  
I try, but it's hard to lose the feeling, baby  
I keep holdin' deep inside of me, baby  
And when I cry, I cry tears of pain  
My life will never be the same

Trust me, baby, you just don't know, baby

You don't know, baby  
Just what I'm going through  
You don't know, baby  
I have no days, I have no nights  
Without you girl, I have no life

I wanna go outside in the rain  
(To hide the tears)  
I wanna go outside in the rain  
(I can't stop cryin', baby)  
I wanna go outside in the rain  
(Cause I'm all alone)

I have no days  
I have no nights  
Without you girl, I have no life

You don't know, baby, no  
Just what I'm going through over you  
You don't know, baby
