Ships crossing like ghosts  
In the night  
Names are remembered  
Faces in sight  
Take what we can and  
Need to survive

Was exchanging kisses  
And you  
Leave me scarred  
Feeling confused

ill wait and see  
What unfolds  
dont have what I need  
Girl now I love you so

Na na na na na na na na  
Sheets of Egyptian cotton x4

Motionless raptures  
Revel the give and take  
Become whats real  
Leave only memories that

We steal

Eyes passing glances  
For games  
What time remembers  
Seconds to forget

I ll wait and see  
What unfolds  
Dont have what I need  
Girl now I love you so

Repeat chorus

Let your feelings reveal  
The naked truth  
Convey what I need

Cause you know I needed to  
Now my feeling is ready  
To uncover you  
I wanna feel my warmth  
Near close to you  
Girl dont you be so cold

Repeat chorus x3 4x for each line
