ships crossing like ghosts  
in the night  
names are remembered  
faces in sight  
take what we can  
and need to survive

was exchanging kisses  
and you  
leave me scarred  
and confused

I'll wait and see  
what are fools  
don't have what I need  
go I love you so

nanananananana  
sheets of egyptian cotton  
nanananananana  
sheets of egyptian cotton  
nanananananana  
sheets of egyptian cotton  
nanananananana  
sheets of egyptian cotton

motionless raptures  
reveal the give and take  
become what's real  
leave only memories that  
we steal

eyes passing glances  
for games  
what time remembers  
seconds forget

I'll wait and see

what are fools?  
don't have what I need  
come now

I love you so

nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton

let your feelings reveal  
the naked truth  
convey what I need  
'cause you know I needed to  
now my feeling is ready  
to uncover you  
I wanna feel my warmth  
near close to you  
go, don't you be so cold

nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton  
nananananananana  
sheets of egyptian cotton
