Keep me, don't let me go
When I'm losing my head
Well, if the angels won't have me
Well, meet me at the bar room instead
Keep me, don't let me go
Keep me, don't you let me go, go
Like old Tudor places
Where the lights are all down
And all those beautiful faces
But yours ain't around
Keep me, don't let me go
Keep me, don't you let me go
Go, go, go
Night time spent waiting
Well, in the dark we all are fools
This love makes me impatient
Morning takes me too soon
Keep me, don't let me go
Keep me, don't you let me go
Go, go, go
