This is where my ship has run aground
Stuck in the mud on the Puget sound
I came from the great lakes and I watched them turn
dry
The sky turned black and I cried
I never thought heartbreak
Would follow me 'round
Well, I'm lonely, well, I'm lonely still
Well, I'm lonely, well, I'm lonely still
Hammered hearts tired of being young
It wasn't you, it could have been anyone
I came from the great lakes and I saw them turn dry
The sky turned black and I cried
I never thought heartbreak
Would follow me 'round
Well, I'm lonely, well, I'm lonely still
Well, I'm lonely, well, I'm lonely still
I never thought heartbreak
Would follow me 'round
I never thought heartbreak
Would follow me 'round
I never thought heartbreak
Would follow me 'round
I never thought heartbreak
Would follow me 'round
Well, I'm lonely, well, I'm lonely still
Well, I'm lonely, well, I'm lonely still
Well, I'm lonely, well, I'm lonely still
Yeah, I'm lonely, well, I'm lonely still
