You picked me up, dried me off
You were hopelessly devoted to my darkest hour
I knew I broke every rule
Just so I'd be close to you
And I was just your passenger
Hoping you wouldn't see the sign, funeral parking only
And if the rain would settle down
Or maybe we will catch a glimpse of this troubled town
Well, it's not hard to forgive
When you're holdin' back a river of drownin'
Well, it's not hard to forgive
When you're holdin' back a river of drownin'
Well, it's not hard to forgive
When you're holdin' back a river of drownin'
Well, it's not hard to forgive
When you're holdin' back a river of drownin'
