

Jesse Sykes & The Sweet Hereafter **"Made Of Wood"**

He said, "I think you know my name"
He said, "I think you know what I came here for"
"And if you don't really like it
You can walk out that door
If you don't really like it
You don't have to keep asking for more
Right here on this floor"
He said hat I was the only one
And he said
That we would have so much fun, oh
Well, I tried and I tried
To get back on my feet
The lines on my face
Tell me that I need sleep again
Well, I just pretend
He said, "I think you know my name"
And he said
"I think you know what I came here for"
"And if you don't really like it
You can walk out that door
If you don't really like it
You don't have to keep begging for more
Right here on this floor"
'Alice In Wonderland', put out your hand
If you were made out of stone
I'd know that you'd catch me, oh, if you could
'Cause I'm made of wood
