Station grey
Are you still waiting
For the children
To tumble away?

Walk us through
Fields undivided
Feel the weightless
Return back to you

Down in the valley
I've not lost a thing
Down here in the valley
Where the mission bells ring

Two by two
The lights shine
In the orchard
Ask me why I'd
Stand in for you

And I once knew
The feel of a body
Satisfied, oh so satisfied

When nobody's watching
Will you please be kind?
When nobody's watching
Will it be your way or mine?

Station grey
Are you still waiting
For the children
To tumble away?

Down in the valley
I've not lost a thing
Down here in the valley
Where the mission bells ring

Station grey
Station grey
