Tell my boy I've been thinking about him  
tonight  
A December's day, gone astray, well, he took  
the fall  
Cause some things in life, are still worth a  
good brawl  
Two hearts lost in the fray

Tell the boys, tell the boys, tell the boys

Things we don't know, words lovers say, when  
they're letting go  
Dropped through the arms of a thief, the planes  
fly in low  
Taking me down past those tracks in the snow  
A December's day, gone astray

Tell the boys
