O, yellow autumn moon  
You find me blue tonight  
What with the summer gone  
What with the fading light

No sails upon the lake  
No children on the shore  
No funny sun-burned nose  
No little country store

I'll miss the sunny days  
I'll miss the rainy days

And you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl  
Oh you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl

O, you're a silly man  
Don't you know anything  
We're gonna stay in touch  
We'll give you all a ring

We'll get the pictures out  
We'll pass each one around  
Our fire on the beach  
My goodness, you were brown

And they will live again  
We'll make them live again

For you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl  
Oh you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl

You don't know how I feel  
I never told you  
O, I was much too shy  
So I'll never hold you

I hide my heart away

I have my reasons  
I have my memories  
Of when love was in season

You can forget the past  
It's only cause to cry  
Soon as a love appears  
It's time to say goodbye

Wipe all the tears away  
They don't do any good  
You put me from your mind  
Just like I knew you would

Smile when you hear my name  
Why can't I do the same?

For you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl  
Oh you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl  
Oh you, you, I'm gonna miss you, girl  
Yeah you, you, I'm gonna miss you, girl
