Time after time, I've turned away from you  
When all I had to do was surrender to your love  
You've seen me stumble, you've watched me fall  
And though I heard you call, I just wasn't strong  
enough

But there's an emptiness inside  
Without you in my life  
Lord, I hope you hear my prayer tonight

Won't you blind my eyes when all I see is temptation  
Break my stride when I'm runnin' from the truth  
An' tie my hands when I reach out with desire  
Go on an' do what you must do  
Whatever you must put me through till I turn to you,  
yeah

I know that others fall down on their knees for mercy  
But you may have to hurt me before I see the light  
'Cause I've grown as far as I can go by myself  
I need your help if I'm gonna get it right

I'm tired of strugglin' every day  
I wanna know the way  
So now the only prayer I wanna pray

Is just blind my eyes when all I see is temptation  
Break my stride when I'm runnin' from the truth  
An' tie my hands when I reach out with desire  
Go on an' do what you must do  
Whatever you must put me through till I turn to you,  
yeah

Blind my eyes, break my stride  
Whatever you want to be denied  
Whatever you must do  
An' tie my hands, ignore my demands  
Build a wall that stands so high, I can't get through

Till I turn to you, yeah  
Until I turn to you  
'Cause I wanna turn to you

Oh, yeah
