What's happened to blue eyes
Has anyone seen him
Don't anyone tell me
That he gave up on me

I'm looking for blue eyes
Has anyone known him
Is anybody knowing
If he's been looking for me

There was a time, blue eyes said
He'd no love no other
His one and only love
He swore at me

There was a time
When his blue eyes
Saw clearer than mine did
Tears of rain, years of pain
Bring me back this way

What's happened to blue eyes
Has anyone seen him
Don't anyone tell me
That he gave up on me

I'm looking for blue eyes
Has anyone known him
Is anyone knowing
If he's been looking for me

What's happened to blue eyes
