Woke up this morning with a different feeling
Something in her was starting to change
The light in her eyes just was missing
And all the make up was starting to fade

Saying some girls just have glitter in their veins
Screaming "I'm too young for this place"
And as they all yelled and just watched on
Her soul started to break and she said

C'mon C'mon
Cut a little deeper
C'mon C'mon
Start to move along
C'mon C'mon
The show is almost over
So if you want it baby
C'mon

Looked in the mirror at a different person
As he waited for her by the door
She packed her bags as the tears started falling
And all the limelight's started to fade

Saying some girls just have glitter in their veins
Screaming I'm too young for this place
And as they pried and just kept on
Her walls started to break and she said

C'mon C'mon
Cut a little deeper
C'mon C'mon
Start to move along
C'mon C'mon
The show is almost over
So if you want it baby
C'mon
