Walkin down the street you caught my eye.  
Lift your head it seems you catch my vibe  
Playing summer games  
But baby hearts don't lie  
And with a glimpse of me  
You lose your mind  
You're losing your mind

Drifting thru the night  
No alibi  
And as the music plays  
I cross your mind  
Rebel baby  
In your head you'll find  
With a glimpse of me  
You lose your mind  
You're losing your mind

Hey pretty baby with the cut off tee  
And the tattooed sleeves  
You're looking good to me  
Hey pretty baby wanna rock all night  
Crack a smile  
We ain't gotta fight  
You're looking good to me

Hey pretty baby with the bad boy heart and the punk  
rock kicks  
You make me wanna start  
You're looking good to me

Late at night  
I start to think of you  
Cause in the bar they're playing punk rock tunes  
Rebel baby  
In my heart ill find  
That with a glimpse of you  
I start losing my mind  
I'm losing my mind  
Hey pretty baby with the cut off tee  
And the tattooed sleeves  
You're looking good to me

Hey pretty baby wanna rock all night  
Crack a smile  
You aint gotta fight  
You're looking good to me

Yea pretty baby with the bad boy heart and the punk  
rock kicks  
You make me wanna start  
You're looking good to me
