From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
Bougie, bougie
I always stay bougie

I'm poppin' tags
Got that new Fendi bag
Fashion week New York
Sittin' in the front row
Where you at?

LA to London
Louboutin and Berkin
Yeah I'm always workin' it
I'm workin'

LA to London
Louboutin and Berkin
Yeah I'm always workin' it
I'm workin'

From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
Bougie, bougie
I always stay bougie

Bougie, bougie, bougie
Bougie, bougie, bougie

I wear Chanel on Sundays
I do Gucci on Mondays
No I don't shop at boutiques
They tailor make it for me

I buy it off the runway
I run sh*t

LA to London
Louboutin and Berkin
Yeah I'm always workin' it
I'm workin'

LA to London
Louboutin and Berkin
Yeah I'm always workin' it
I'm workin'

Balenciaga
Dior and Prada
And when you catch me
I'm on to the next thing

All my girls are stunnas
Shoppin' all around the world
From Kors to Louis
Oh yeah I'm bougie

From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
Bougie, bougie
I always stay bougie
[x2]

Bougie, bougie, bougie
I always stay
Bougie, bougie, bougie
I always stay

Bougie, bougie, bougie
Bougie, bougie, bougie

From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
From Kors to Louis
I always stay bougie
Bougie, bougie
I always stay bougie
