Time to weigh up, baby don't stop get, get, get me in
your red drum.

Drip, drip, drip like a faucet keep me up all tonight
today, come.

Feeling lucky (I'm ready), go on and (keep it steady),
it's showtime
(You're on).

Drummer boy 3 2 1.

Drummer boy, oh you know you're hotter than the
summer boy.

Riding on the beat just like a hummer boy
Ra tat tat yeah I like that, you're my drummer boy my
little
Drummer boy.

That's, that's the way you beat it.

That's, that's the way you beat it.

That's, that's the way you beat it, beat it, beat it. (X2)

Time to weigh up, keep banging on my sounds baby
Tell you when to stop (that won't be too soon).

Gimme all you got, drip drip like a faucet keeping
Me up all night, oh yeah that's just right.
