Gimme what you got  
It's the principle of pleasure  
Gimme what you got  
It's the principle of pleasure  
Gimme what you got  
It's the principle of pleasure  
It's the pleasure principle

### RAP

I know, you know  
How to make my body beat  
You know, I know  
What it is to feel complete

Go slow, don't stop  
Doin' just what you do to me  
I know, you know  
What I don't know you're teachin' me

Now you got inside my head  
And boy you're all I think of lately  
You caught me off my guard  
Seems so clear I want you baby

You got inside my mind  
Ain't no way that I can fight it  
I want you all the time  
So baby why should I deny this

### CHORUS

Gimme what you got, give it to me slowly  
Gimme what you got, now baby tease me  
Gimme what you got boy, give it to me hot boy  
Boy gimme gimme come on, gimme gimme come on  
baby  
Gimme what you got give it to me right now  
Gimme what you got , what you got show me how  
Give it to me better, you give me pleasure  
Boy gimme gimme come on, gimme gimme come on  
baby

You know, I know  
Just how much you want me bad  
I know, you know  
I'm feelin' like my soul is trapped

Slide up your hands  
right up upon my back  
Come touch, right here  
I'll make it so you can't turn back

Now you got inside my head  
And boy you're all I think of lately  
You caught me off my guard  
Seems so clear I want you baby

You got inside my mind  
Ain't now way that I can fight it  
I want you all the time  
So baby why should I deny this

REPEAT CHORUS  
RAP

REPEAT CHORUS  
It's the principle of pleasure  
It's the principle of pleasure  
It's the principle of pleasure  
It's the pleasure principle
