(Verse 1)

These days you barely even say my name
Like you don't really feel the same
I'm wondering whats to blame
These nights, I fall asleep wondering where you are
It feels like we're falling apart
And it's totally breaking my heart

Cause if bein' with you means being alone
And never knowing when you're comin' home
Then I guess Im better off on my own

(Chorus)

But I cant move on
Cause that means forgettin, forgettin, everything we
had
Instead I keep running, keep running, I keep running
back
Cause I keep forgettin, forgettin, you treat me so bad
So I keep on comin, keep comin, I keep comin back

I keep comin back (I keep running back) And I keep
running back (I keep comin back)
I keep comin back (I keep running back) And I keep
comin, I keep running back

(Verse 2)

My friends say that I should leave you behind
And stop wasting all my time
They tell me that I'm out of my mind

But I know that what we both share is real
And that I been willing to deal
With the way that you're making me feel

Cause if being with you means being alone
And never knowin' when you're coming home
Then I guess Im better off on my own

Chorus

But I cant move on
Cause that means forgettin, forgettin, everything we
had
Instead I keep running, keep running, I keep running
back
Cause I keep forgettin, forgettin, you treat me so bad
So I keep on comin, keep comin, I keep comin back

I keep comin back (I keep running back) And I keep
running back (I keep comin back)
I keep comin back (I keep running back) And I keep
comin, I keep running back

(Rap- Flo Rida)

Ma ma ma mama caught up
We not all heard the same story
Just different authors this book crazy
Always a lady looking for love where there's a maybe

They fight to be together

You say you don't need it
Turn around and leave it
Oh he back next week
Fuss...Fight
And then the whole thing repeat like nothing ever
happened

Shorty you knew that he aint got the same government
Lil mama can't move on
But it's her fault she struggling
She can't...move...on

Chorus
But I cant move on
Cause that means forgettin, forgettin, everything we
had
Instead I keep running, keep running, I keep comin

running back (I keep comin back)
I keep comin back (I keep running back) And I keep
