I can stand with the weight of the world on my  
shoulders  
I can fight with the toughest of the tough  
I can laugh in the face of all my insecurities  
Anytime, anywhere, anything, I'm strong enough

But when you're holding me like this  
I'm carelessly lost in your touch  
I'm completely defenseless, baby, it's almost too much  
I'm helplessly, hopelessly, breathlessly falling in love

So let consequence do what it will to us, I don't care  
Let the stars stand as witness to it all  
Say the word and tonight I will follow you anywhere  
I just can't pretend anymore, I'm too sturdy to fall

'Cause when you're holding me like this  
I'm carelessly lost in your touch  
I'm completely defenseless, baby, it's almost too much  
I'm helplessly, hopelessly, breathlessly falling in love

I am not afraid  
I am not afraid

'Cause when you're holding me like this  
I'm carelessly lost in your touch  
I'm completely defenseless, baby, it's almost too much  
I'm helplessly, hopelessly, breathlessly falling  
Helplessly, hopelessly, breathlessly  
I'm helplessly, hopelessly, breathlessly falling in love
