His love is sweet like cotton candy
He hides the fire but not the smoke
Oh, he deceives while he enchants me
Round and round the sun I go

CHORUS

If its love you want
He will deliver
A taste of honey
And then the knife
Beware the pill, for it is bitter
A villain lies behind the smile
The poison's in the sugar
Like Eve drawn to the apple
Or a moth to a flame
Like an angel to a devil
If I buy what he sells
Whose to blame?

CHORUS

And he lies and he lies
And he lies
And I try and I try
But I just can't get away

CHORUS

The one in beautiful disguise
The poison's in the sugar.

Can you help me?
Can you help me?
Can you help me?
I just don't know

Can you help me?
Can you help me?
Can you help me?
Ohhhhhh

Can you help me?
Can you help me?
