Monday mornings are bittersweet  
Just like the coffee in my cup  
It's what you need but not enough

Here without warning, another week  
I'd rather crawl back into bed  
And lie with you all day instead

Everyone around the world can  
Understand me  
And this feeling inside  
Maybe my heart is just a little too demanding  
Oh, but when I look in your eyes  
When I look in your eyes baby

I need a second Sunday  
So I can be with you  
I'm gonna go tell Monday  
This is something I've got to do  
Another 24 hours  
Is all that it takes  
Sometimes love just needs a second Sunday

It's 6am, Hey aren't you sweet  
With your hair all in a mess  
I wonder why did I get dressed

When from California to NYC  
There's a fever goin' round

Like the love that we have found

Maybe my heart is just a little too demanding  
Oh, But when I look in your eyes

I need a second Sunday  
So I can be with you  
I'm gonna go tell Monday  
This is something I've got to do  
Another 24 hours  
Is all that it takes  
Sometimes love just needs a second Sunday

Another 24 hours  
Is all it takes  
Sometimes love just needs a second Sunday

Don't feel guilty just 'cause we wanna  
Stay in bed  
If you love me, don't let the weekend go

I need a second Sunday  
So I can be with you  
I'm gonna go tell Monday  
This is something I've got to do  
Another 24 hours  
Is all that it takes  
Sometimes love just needs a second Sunday
