If i could grant you one wish,  
I wish you could see the way you kiss  
OO I love watching you baby,  
when you're driving me, oo crazy  
OO I love the way you,  
love the way u love me  
Theres no where else I'd rather be  
OO to feel the way I,  
feel with your arms around me  
I only wish that you could see the way you love me  
wowowo the way you love me  
It's not right,  
It's not fair,  
what you're missing over there  
Some day  
I'll find the way to show you,  
just how lucky  
I am to know you  
OO I love the way you,  
love the way you love me  
There's no where else I'd rather be  
OO To feel the way I,  
feel with your arms around me  
I only wish that you could see,  
the way you love me  
Wowowo The way you love me  
You're the million reasons why there's,  
love reflecting in my eyes  
OO I love the way you,  
love the way you love me  
There's no where else I'd rather be  
OO To feel the way I,  
feel with your arms around me  
I only wish that you could see,  
the way you love me  
Wowowow The way you love me  
Wowowow The way you love me  
(Love me)  
Wowowow The way you love me  
(Love me)  
OO The way you love me  
OO I love the way you love me

The way you love me  
OO I love the way you love me  
(Oh yeah)  
OO I love the way you love me  
Love me
