Oh no, there you go again
You're so trying to pretend
I don't exactly what you
Are thinking about me but you
Don't know that I feel the same
I'm so tired of playin' games
Are you just afraid I won't be
Feelin' you, but baby, you'll see

I've got what you need and more
But you've got to make it yours
I've got what you want for sure
So what are you baby waitin' for?

[CHORUS:]

Baby, I already know that you want me
So what will it take for you to tell me
I'm down for you
