You're leaving now,
I won't try, try to change your mind now baby
I won't say no words designed to make you stay
You've gotta live your life,
I won't stop you
You've got to do what's right for yourself,
I know
No matter what you do,
I won't forget you
I only know, If I

If I ever see heaven again,
it will be in your eyes, your eyes
If I ever feel heaven again,
it will be in your arms, your arms
It will be, it will be with you

You'll walk away and I pray
I'll pray our roads will cross again someday
Deep in this heart of mine,
I'll still love you
Deep in this soul of mine,
you'll be there I swear
The sweetest times I knew,
were times I held you
I only know, If I,

If I ever see heaven again,
it will be in your eyes, your eyes
If I ever feel heaven again,
it will be in your arms, your arms
It will be, it will be with you

You've gotta live your live,
I won't stop you
You've gotta do what's right
For yourself
I know no matter what you do,
I'll always love you
I only know, if I
If I

If I ever see heaven again,
it will be in your eyes, your eyes
If I ever feel heaven again,
it will be in your arms, your arms

If I ever see heaven again,
it will be in your eyes, your eyes
It will be, it will be with you
It will be with you
