(Oh, te amor, te amor, te quiero)

I have always dreamed to find someone like you  
No more lonely nights I'll never make it through  
Won't you say you will fulfill this empty part  
Cause I've been searching for what's missing in my  
heart

My Spanish lullaby  
For you are my Spanish lullaby  
You are the star that lights my night  
And with you I'll make my dreams come true  
Underneath the starlit moon  
You're my Spanish lullaby

[CHORUS:]  
Come with me to a place  
Come feel my warm embrace  
There's is so much I have to give  
(You don't know, you don't know)  
Come feel my passion rise  
There's so much I have inside  
So much more life you have to live

And I never will abandon what we share  
For I cherish every moment that you're near  
I will never let you shed a tear for me  
Cause every ounce of love I give to you

You're Spanish lullaby  
And I'll be you're Spanish lullaby  
I'll be the star that lights your night  
And I'll make all your dreams come true, yeah  
Underneath the starlit moon  
(Spanish Lullaby)

[CHORUS]

You're my beautiful melody  
No querido estas sentir  
Quien es mi amor  
I can feel your love calling for me

De amor, de quiero  
You're my Spanish lullaby

Come... passion rise  
Have inside...  
You're my Spanish lullaby

[CHORUS x2]
