Crash like a wrecking ball
Crash,yeah
Feel the ground move
The floor starts shake
Get into the groove
And rock like an earthquake
Play you like a fool
I'm gonna beat you like a drum
Breakin' every rule
The fun has just begun
Six will turn to nine
Water into wine
When you see the sign in the sky
CHORUS
Im gonna crash like a wrecking ball
On your feet, feel the heat
Dance like an animal, tonight
I'm gonna crash like a wrecking ball
On your seat, to the beat
Wild, wicked, wonderful, damn right
There's something going on
A magic in the air
Deeper than the see
Higher than the stratosphere
Temperature rise, all systems go
Fire in your eyes
Naked to the bone
Writings on the wall, it's a miracle
Waiting for the heaven to fall,oh yeah
CHORUS 2x
Writings on the wall, it's a miracle
Waiting for the wrecking ball to fall
Six will turn to nine, water into wine
When you see the sign in the sky
Im gonna Crash like a wrecking ball, yeah!
Dance like an animal, oh oh
Crash like a wrecking ball, ooh
Wild,wicked, wonderful
EVERYBODY!
CHORUS
CRASH!
