Race home , open the door
Run upstairs , throw my bag on the floor
I log on , two seconds later ,
I get message from you saying "hey baby"
Been going crazy thinking bout you all day
So much to tell you , boy i feel the same way
Can't wait to see you , just you and i
Cause every time im thinking what it would be like

I get a rush more than a crush, almost love
Make me feel high, every time i think about us
Even though we talk everyday i still can't get enough
Haven't got a pulse , getting kinda closed , almost love

Im 5'6 your 5'10 ,14 15 t-t-twenty four seven
34 , 24 ,36 , t-t-twenty four seven
Forever , lol , you and i , t-t-twenty four seven
g2g , xox, uh uh uh twenty four seven

Gave you my number ,you called
We were both nervous said nothing at all
I was breathless , you were speechless , said its good
to finally hear your voice (hear your voice)
Started talking , kinda random
Said you were shy boy , your such a fly boy
Said its you that makes me feel that way , im like
sometimes even i don't know what to say

I get a rush more than a crush, almost love
Make me feel high, every time i think about us
Even though we talk everyday i still can't get enough
Haven't got a pulse , getting kinda closed , almost love

Im 5'6 your 5'10 ,14 15 t-t-twenty four seven
34 , 24 ,36 , t-t-twenty four seven

How i (4x) wish you were here now
How i wish you were here now
