Boy you put me on the spot, I don't know what to say,
But I'm trying anyway
Like my hearts gonna drop, my mind drifts away,
And I can't control the pains

Words are spinning in my head,
Don't know why I'm holding back,
I should just tell you how I'm feeling, yeah-heh

But I don't wanna act a fool,
Don't wanna look confused,
If I let you know about the way I feel,
Don't know what you gonna do
So I keep it locked inside,
And imagine you were mine,
And I'm feeling you, so close but yet so far,
You hold the key to my heart
(My, my, my, my, my heart)

The more I brush it off,
Tell myself it's nothing at all,
Deeper I fall
And I imagine everyday,
A thousand different ways,
How you respond to what I say

Am I getting lost in my dreams?
Are you unreachable to me?
Cause these butterflies just won't go away

I don't wanna act a fool,
Don't wanna look confused,

If I let you know about the way I feel,
Don't know what you gonna do
So I keep it locked inside,
And imagine you were mine,
And I'm feeling you, so close but yet so far,
You hold the key to my heart
(My, my, my, my, my heart)

But if I never tell you then you'll never know,

And the secret is getting heavy to hold,
This is more than just a crush
So I may stutter when I speak,
And my knees may get a little weak,
But I've got nothing to lose and only you to gain,
Tell me do you feel the same

But I don't wanna act a fool,
Don't wanna look confused,
If I let you know about the way I feel,
Don't know what you gonna do
So I keep it locked inside,
And imagine you were mine,
And I'm feeling you, so close but yet so far,
You hold the key to my heart
(My, my, my, my, my heart)
You hold the key to my heart
(My, my, my, my, my heart)
