I wanna be a star, be, be, be, a star (x7)

I wanna be a star,
Get an expensive car,
Mama,
Who's in the Hollywood?
I thought I told ya,
It's gonna do me good,
Give me exposure,
Do what I said I could,
We gon' be loaded,
Give me a out of the hood,

(Chorus)

I wanna be a star,
Get an expensive car,
You see my face on the magazine,
I'll make you so proud,
Mama,
I'll be okay,
You can let go of my hand,
You promised me that you'd take me to the promised
land,
You wanna be a star,
You wanna be a star,
Everything is so good when the music gets loud,
You wanna be a star,
You wanna be a star,
You wanna be, wanna be, but you don't know who you
are,

(Are, are, are, are, are, are, are)

Mama,
Did you hear the news?
You never bothered to see if I was cool,
But I'm on right now,
Making many friends,
Showing their faces,
And I'm telling 'em,
And the director,
He says he'll give me a shot,
He thinks I'm special,
The shoot's gon' be on this guy,

(Chorus)

I wanna be a star,
Get an expensive car,
You see my face on the magazine,
I'll make you so proud,
Mama,
I'll be okay,
You can let go of my hand,
You promised me that you'd take me to the promised
land,
You wanna be a star,

You wanna be a star,
Everything is so good when the music gets loud,
You wanna be a star,
You wanna be a star,
You wanna be, wanna be, but you don't know who you
are,

Many shootings,
Blowing, showing make belief,
What are you doing?
Roses and chocolates,
You can't stop it,
Place your bet inside a bucket,
Step right up and blow your kisses,
How can you be so addictive?
Don't look at your own reflection,
It can be not what you get,
Fashionists, clothests, V.I.P.'s, celebreties are on their
knees,
And you go into your mansion,
Just step on they'll all keep dancing,

(Chorus)

I wanna be a star,
Get an expensive car,
You see my face on the magazine,
I'll make you so proud,
Mama,
I'll be okay,
You can let go of my hand,
You promised me that you'd take me to the promised
land,
You wanna be a star,
You wanna be a star,
Everything is so good when the music gets loud,
You wanna be a star,
You wanna be a star,
You wanna be, wanna be, but you don't know who you

are,

(Pa pa ra)

(Pa pa ra)

Everything is so good when the music gets loud,

(Pa pa ra)

You wanna be but you don't know who you are,

(Pa pa ra)

You wanna be a star,

You wanna be a star,

(Pa pa ra)

(Pa pa ra)

You wanna be a star...
