Bieber and JJ (yeah yeah) what you doing baby
Bieber and JJ (yeah yeah) press play

I tried to get through the night
But it's like I'm frozen in time cause
Right now tomorrow feels so far away, far away (yeah)

I know I'll see you real soon but
Later just ain't soon enough
I miss you my heart can't wait another day, another day
(yeah)

I know you're out there looking at the stars
Wishing I could be right there where you are (where
you are)
It's so hard (it's so hard)

Chorus
Cause I can't be away, I can't be away from you
No matter what it doesn't feel right
Whatcha doin, Whatcha doin
Baby I'm over here losing my mind
Can't be away, I can't be away from you
Girl I hate it when we're saying good-bye
Whatcha doin, Whatcha doin
Since I'm not with you I'm just wasting time
Whatcha doin, Whatcha doin (Whatcha doin)

Online is better than the telephone
But I chat still ain't the real thing no

Cause when I'm with you I get to hold you
I hope that you know

From the moment I get home
To the moment my eyes close
I'll be missing you (I'll be missing you)
If only there is something we could do
I know you're out there looking at the stars
Wishing I could be right there where you are (where
you are)
It's so hard (it's so hard)

Chorus

Cause I can't be away, I can't be away from you
No matter what it doesn't feel right
Whatcha doin, Whatcha doin
Baby I'm over here losing my mind
Can't be away, I can't be away from you
Girl I hate it when we're saying goodbye
Whatcha doin, Whatcha doin
Since I'm not with you I'm just wastin time

I wonder if you're listening to the same song (same song)

On the radio (on the radio)
Does it (does it) make you think of me
I just wanna know
Cause you stay on my mind all the time

Bieber and JJ (yeah yeah) what you doing baby
Bieber and JJ (yeah yeah) let me hear you say

Chorus

I can't be away, I can't be away from you
No matter what it doesn't feel right
Whatcha doin, Whatcha doin
Baby I'm over here losing my mind
Can't be away, I can't be away from you
Girl I hate it when we're saying goodbye
Whatcha doin, Whatcha doin
Since I'm not with you I'm just wastin time

Cause I can't be away, I can't be away from you
No matter what it doesn't feel right
Whatcha doin, Whatcha doin
Whatcha doin I wanna know
Can't be away, I can't be away from you
Girl I hate it when we're saying good-bye
Whatcha doin, Whatcha doin
Baby I'm over here losing my mind
Whatcha doin, Whatcha doin
Whatcha doin, tonight
Whatcha doin, Whatcha doin
Whatcha doin
