?) and jj (yeah yeah) what you doing baby  
(?) and jj (yeah yeah) press play

i tried to get through the night  
but it's like i'm frozen in time  
cos right now tomorrow feels so far away, far away  
(yeah)  
i know i'll see you real soon  
but later just ain't soon enough  
i miss you my heart can't wait another day, nother day  
(yeah)  
i know you're out there looking at the stars  
wishing i could be right there where you are (where you  
are)  
it's so hard (it's so hard)

cos i can't be away, i can't be away from you  
no matter what it doesn't feel right  
what you doing, what you doing  
baby i'm over here losing my mind  
can't be away, i can't be away from you  
girl i hate it when we're saying good-bye  
what you doing, what you doing  
since i'm not with you i'm just wasting time  
what you doing, what you doing (what you doing)

online is better than the telephone  
but ichtat still ain't the real thing no  
cos when i'm with you i get to hold you  
i hope that you know  
from the moment i get home  
to the moment my eyes close  
i'll be missing you (i'll be missing you)  
if only there is something we could do  
i know you're out there looking at the stars  
wishing i could be right there where you are (where you  
are)  
it's so hard (it's so hard)

cos i can't be away, i can't be away from you  
no matter what it doesn't feel right

what you doing, what you doing  
baby i'm over here losing my mind  
can't be away, i can't be away from you  
girl i hate it when we're saying good-bye  
what you doing, what you doing  
since i'm not with you i'm just wasting time

i wonder if you're listening to the same song (same  
song)  
on the radio (on the radio)  
does it make you think of me, i just wanna know  
cos you stay on my mind all the time

(?) and jj (yeah yeah) what you doing baby  
(?) and jj (yeah yeah) let me hear you say

can't be away, i can't be away from you  
no matter what it doesn't feel right  
what you doing, what you doing  
baby i'm over here losing my mind  
can't be away, i can't be away from you  
girl i hate it when we're saying good-bye  
what you doing, what you doing  
since i'm not with you i'm just wasting time

cos can't be away, i can't be away from you  
no matter what it doesn't feel right  
what you doing, what you doing  
what you doing i wanna know  
can't be away, i can't be away from you  
girl i hate it when we're saying good-bye  
what you doing, what you doing  
baby i'm over here losing my mind  
what you doing, what you doing  
what you doing tonight  
what you doing, what you doing
