Oh no
Not now
Oh no
Not ever
Oh no
Not now
Oh no
Not ever

My arms can't wait 2 hold u
My lips can't wait 2 kiss
You better hurry up boy
You don't know what you've missed

I don't wanna lose this feeling
Please don't walk away
I don't wanna lose this feeling
I miss you every day

I don't wanna lose this feeling
Please don't walk away
I don't wanna lose this feeling
I miss you every day

I don't wanna lose this feeling
Please don't walk away
I don't wanna lose this feeling
I miss you every day

Oh no
Not now
Oh no
Not ever
Oh no
Not now
Oh no
Not ever

My heart is in your hands
Now my eyes are stuck on you
I want to be your lover
I hope you like me too

I hope you understand
How lonely life has been
Before you came my way
All I did was dream

I don't wanna lose this feeling
Please don't walk away
I don't wanna lose this feeling
I miss you every day

I don't wanna lose this feeling
Please don't walk away
I don't wanna lose this feeling
I miss you every day

Oh no
Not now
Oh no
Not ever
Oh no
Not now
Oh no
Not ever
Oh no
