My mind is weak and twisted along
With my fantasy
I'll end this love life
Manifested this dream
Of you and me

I know your love spotlight
Will never shine on me
I'm afraid to spend forever in the dark
Don't you wanna wake up with somebody beside you
There'll never be a home for me somewhere in your
heart

My heart is through and
Begs my hands to do
What I shouldn't do
I'd rather die young and
Be forgotten
Than live to grow old loving you

I know your love spotlight
Will never shine on me
I'm afraid to spend forever in the dark
Don't you wanna wake up with somebody beside you
There'll never be a home for me somewhere in your
heart
There'll never be a home for me somewhere in your
heart
