Come get me drunk, tell me I'm pretty  
Tell me you want me by your side  
Make me fall apart  
Try as hard as you can  
To let the pieces fall in your hand  
And I'll kiss you tonight

And you tell me that I look sad  
And you tell me that I look sad

And it's okay if you love me 'cause you love everyone  
that you know  
And it's okay if you kiss me 'cause you kiss all the  
girlies you know  
And I'd stand my ground if I had a leg to stand on  
And you should avow for your award winning  
performance  
'Cause you won me over  
'Cause you won me over

And you tell me that I look sad  
And you tell me that I look sad  
And you tell me that I look sad
