It's all because,
I waited for so long, you showed me you were the one,
I gave ya my heart, right from the very start so,
Every time you lied, I knew inside,
Get another chance, I was hurting, I was broken
I stayed too long and so that's why, you didn't think
that I'd move on,

(Chorus)
It's all because,
I loved ya, (because)
I held ya, (because)
I believed ya,
You're not what I needed, (because)
I'm stronger,(Because)
I'm better, (because)
without you, you'd thought I'd be in pieces,
Because (you thought I'd be in pieces),

because, I loved ya, (because) I loved ya,
(because) I loved ya

You gave me, just one thing, but taking from the
beginning
You left me, a heart ache, how much more could I take,
With every alibi, that made me cry, I'd still gave you
more,
I should've given up, when I had had enough,
But I stayed to long, that's why, you didn't think that I'd
move on,

(Chorus)

(Verse 3)
I made a mistake of giving me to you,
I made a mistake of loving you x4

(Chorus)

(because i loved you x2)
(because becuase i loved you)
