I know sometimes this thing call life
It ain't easy, but believe me
We're all going through
The same old thing, yeah

Underpaid, underappreciated, frustrated
When things don't turn out the way they may
Play out of my head, out of my head
Sometimes I want to shout
And I'm about to let it out

Leave your problems at the door
Don't you cry anymore
Tonight we gonna celebrate
When nothing's going your way
You're waiting for the day
Somebodies gonna cut you a break
Dance it off, dance it off
Dance it off, dance it off

Letting go
Could be the hardest thing
But I know if I'm gonna win
I gotta get that chip up off my shoulder
Cause I know I'm supposed to

We're gonna party like there's no tomorrow
Let's go, let's go, let's go

Leave your problems at the door
Don't you cry anymore
Tonight we gonna celebrate
When nothing's going your way
You're waiting for the day
Somebodies gonna cut you a break
Dance it off, dance it off
Dance it off, dance it off

Leave your problems at the door
Don't you cry anymore
Tonight we gonna celebrate
When nothing's going your way

You're waiting for the day
Somebodies gonna cut you a break
Dance it off, dance it off
Dance it off, dance it off
Dance it off, dance it off
Dance it off, dance it off
