I know I'm in love  
Cause you're all I'm thinking of  
Every night and day  
Waiting for the words to come  
What I wanna say  
Is forever  
Been thinking bout us together  
So just between you and me  
It's a secret I gotta keep

I wanna tell you tonight  
Nothing else but you on my mind  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows  
Nobody knows you're my man  
That I can feel the way I can  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows

I'm writing it down  
So nobody can see  
I cover it up  
Emotions are tough  
When you feel it like me  
Cause we've always been friends  
And every time my heart skips a beat  
When you look into my eyes  
But just between you and me  
It's a secret I gotta keep

I wanna tell you tonight  
Nothing else but you on my mind  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows  
Nobody knows you're my man

That I can feel the way I can  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows

I want you here in my arms tonight boy  
I wanna dance in your arms all night  
But just between you and me  
Just between you and me...

I wanna tell you tonight  
Nothing else but you on my mind  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows  
Nobody knows you're my man  
That I can feel the way I can  
I'm stuck on a red  
But I just wanna go  
I wanna be with you  
And nobody knows

(Tell you tonight  
You on my mind  
Stuck on a red light  
I just wanna go  
Wanna be with you  
But nobody know...)
