But now i know, but now i know but now i know,
that you mean nothing to me.

Just let it go, just let it go, just let it go, and don't come
running to me.

Cause your the one who always had someone waiting
on the side.

And you were always acting like you had something to
hide.

But now i know, but now i know but now i know, heyyyy.

[[Verse 1]]

Thought i heard somebody say they saw you the other
day i'm thinking thats kinda funny cause you said your
at the game.

Didnt wanna bother you but asking you questions
cause asking questions means that pleasing you of
things you said you never do.

I never lied to you, thats what you'd always say, and all
the loving i gave you, bring it bring it bring it back.

[[Bridge]]

And all the things i do for you, and them you turn
around and tell me you don't wanna talk about it, (i
dont wanna talk about it)

[[Corus]]
