[Part 1]

These days, you barely even say my name,
Like you don't really feel the same,
I'm wondering what's to blame.

These nights, I fall asleep wondering where you are,
It feels like we're falling apart,
And it's only breaking my heart.

Cause if being with you means being alone,
And never knowing when you're coming home,
Then I guess I'm better off on my own.

[Chorus]

But I can't move on,
Cause that means forgetting, forgetting everything we
had,
Instead I keep running, keep running, I keep running
back.
Cause I keep forgetting, forgetting you treat me so
bad,
So I keep on coming, keep coming, I keep coming back.
I keep coming back
I keep running back (x 2)
I keep coming back
I keep running back (x 2)
I keep coming, I keep coming back.

[Part 2]

My friends say, that I should leave you behind,
And stop wasting all of my time,
They tell me that I'm outta my mind.

But I know that what we both share is real,
And I've been willing to deal,
With the way that you're making me feel.

Cause if being with you means being alone,
And never knowing when you're coming home,
Then I guess I'm better off on my own.

[Chorus]

But I can't move on,

Cause that means me forgetting, forgetting everything
we had,
Instead I keep running, keep running, I keep running
back.
Cause I keep forgetting, forgetting you treat me so
bad,
So I keep on coming, keep coming, I keep coming back.
I keep coming back,
I keep running back (x 2),
I keep coming back,
I keep running back (x 2),
I keep coming, I keep coming back.

[Rap]
Ma-ma-ma-mama caught up,
We done all heard the same story,
Just different authors,
this book crazy.

Always a lady,
Looking for love where there's a maybe,
They might could be together,
They fight to be together,
A'ight to be together.

Shorty, yeah he cheated,
You say you don't need it,
Turn around and leave it,
Oh, he back next week.

Fuss... Fight,
And then the whole thing repeat like nothing ever
happened,
Dat was just rapping,
No publishing,
Shorty you knew that he don't got the same
government.

Lil mama can't move on,
But it's her fault she struggling,
She can't... move... on.

[Chorus]
But I can't move on,
Cause that means forgetting, forgetting everything we
had,
Instead I keep running, keep running, I keep coming
back.
I keep coming back,
Keep running back,
And I keep coming back,

I keep running back,
I keep coming back,
I keep running back,
I keep running, keep running back.
I can keep coming back,
I can keep coming back,
I can keep running back,
I can keep coming back,
I can keep running back...
To you.
