I'm walking down the road  
I start to see the ghost  
Of everything we had, the bad, the new, the past is  
over  
Like a dying wilted rose on the ground so cold it froze  
I try to pick it up but it just crumbles in my hand like  
ashes

This is where you wanna close your eyes  
Here a voice saying hold on tight  
You look around for someone by your side  
This is where you wanna run and leave  
The moment that makes you wanna scream  
Living in a nightmare tonight

This is why I'm afraid of the dark  
It's the scariest part of a broken heart  
Hurts so bad, hits you hard  
It's the scariest part of a broken heart

I'm locking down my doors, there's no more us no  
more

And I can't let the pain get in the way of me of moving  
on  
Like a never ending dream where everything ain't what  
it seems  
But still I wake up all alone drowning 'cause I'm barely  
breathing

This is where you wanna close your eyes  
Here a voice saying hold on tight  
Living in a nightmare tonight

This is why I'm afraid of the dark  
It's the scariest part of a broken heart  
Hurts so bad, hits you hard  
It's the scariest part of a broken heart

Oh

This is why I'm afraid of the dark

It's the scariest part of a broken heart  
Hurts so bad, hits you hard  
It's the scariest part of a broken heart
