Hands full of lemon drops all dissapear
All lips like children, the voices we hear
They're all smiles, they're all smiles, They're all smiles

Bring through the sky, like a bicycle bell
Light up the stars with the story as we tell
We're all smiles, we're all smiles, we're all smiles

Oh oh oh oh, I've never known it could be such fun,
Darlin'
You oo oo oo, are a a are, you're the only one, who can
take me there

Light as the doves, through the tips of the trees
Tumble like stones till' we're torn at the knees
We're all smiles, we're all smiles, we're all smiles

Oh oh oh oh, I've never known it could be such fun,
Darlin'
You oo oo oo, are a a are, you're the only one, who can
take me there
Oh oh oh oh, I've never known it could be such fun,
Darlin'
You oo oo oo, you really know how to shake me up

Na na na na na, na na na na na
Na na na na, na na na now
We're all smiles, we're all smiles, we're all smiles

Na na na na na na
(Na na na na na na)
Na na na na na na
(Na na na na na na)
Na na na na na na
(Na na na na na na)
We're all smiles

Na na na na na na
Na na na na na na
Na na na na na na
We're all smiles
