(Yeah, yeah)  
(yeah, yeah)

Im losing sleep again  
The sky has lost its blue  
Cold wind is rushing in  
And still no word from you  
Ive got all the curtains down  
But my arms are reaching out

You come around  
And you pick me up, put me down  
Do it all over again  
Spin me around  
Till my head is so weary that I cant escape  
From this delirium

This feeling is wearing thin  
The fires burning out  
Memories keep me tied  
Dizzy in my doubt  
The answers are all around  
And I feel like screaming out

You come around

And you pick me up, put me down  
Do it all over again  
Spin me around  
Till my head is so weary that I cant escape  
From this delirium

Oh yes, I am holding on, steadying  
Ready to break free  
The sun, brings me clarity, revelry  
This time I finally believe  
In me, I can walk along on my own  
Holding my face to the wind  
No more, spinning round and round, dizzy  
I am strong  
And Im moving on  
Without you (without you)

Yeah, Yeah  
Moving on

Yeah, Yeah  
And Im doing it on my own
