Do you think you know me?  
Well maybe you do

So youve heard my name before  
And you wonder why I look familiar  
Such a striking resemblance to an old photograph on  
the mantle  
Could it be that Im conjuring up a memory that you try  
to hide in the dark?

Oh! I was the one with the pennies on my eyes  
I was the one in the pine box that they lowered into the  
ground  
But not now~  
But not now~

Oh, the terror of what youve done is trembling on all of  
your loose ends  
Breathing softly and whispering to keep the world from  
finding out

Oh! I was the one with the pennies on my eyes  
I was the one in the pine box that they lowered into the  
ground

But not now~

Now Im the one with the lightning in my eyes  
I am the one with the stars in my hair, the fury in my  
fist, the life inside my lungs  
So watch out~

The moon it rises higher  
Staring at the fire, we look up for our answers  
Daring not to ask the questions that lay in our hearts

I was the one with the pennies on my eyes  
I was the one in the pine box that they lowered into the  
ground  
But not now~

Now Im the one with the lightning in my eyes

Im the one with the stars in my hair, Im the one thats  
alive!
