Hey Raven.  
You're the girl for me.

Hey Raven.  
You make me have to pee.

Hey Raven.  
I think I might love you.

Hey Raven.  
Your face smells like a shoe.

(chorus)  
But it doesn't matter.  
Cuz we are together.  
Oh... yeah together.  
Forever and ever and ever and EVER.  
We are together.

Hey Raven.

Hey Raven.  
Your hair smells like toes.

Hey Raven.  
I want to pick your nose.

Hey Raven.  
I wish you liked me back.

Hey Raven.  
There's nothing you lack.

Hey Ravennnnnn.

Hey Ravennnnn.

Hey Ravennnnnn.

Heyyyyyyyy Raven.
