Good-Bye
Jessica Simpson

I can see the pain livin' in your eyes
And I know how hard you try
You deserve to have so much more
I can feel your hurt and I sympathize
And I'll never criticize all you meant to my life

I don't wanna let you down
I don't wanna lead you on
I don't wanna hold you back
From where you might belong

~Chorus~
You would never ask me why
My heart is so disguise
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to say...
But good-bye

You deserve a chance at the kind of love
I'm not sure I'm unworthy of
Losing you is painful for me

I don't wanna let ya down
I don't wanna lead you on
I don't wanna hold ya back
From where you might belong

~Chorus~
You would never ask me why
My heart is so disguise
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to say...
But good-bye

You would never ask me why
My heart is so disguise
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to try
Though it's gonna hurt us both
There's no other way...
Than to say good-bye

Good-bye
